

change is made to the description of quarantined areas, we will publish a notice in the FEDERAL REGISTER informing the public that the change has occurred and describing the change to the quarantined areas.

(b) *Designation of an area less than an entire State as a quarantined area.* Less than an entire State will be designated as a quarantined area for citrus greening or the Asian citrus psyllid only if the Administrator determines that:

(1) The State has adopted and is enforcing restrictions on the intrastate movement of regulated articles that are equivalent to those imposed by this subpart on the interstate movement of regulated articles; and

(2) The designation of less than the entire State as a quarantined area will prevent the interstate spread of citrus greening or Asian citrus psyllid.

(c) *Criteria for designation of a State, or a portion of a State, as a quarantined area for citrus greening or Asian citrus psyllid.*

(1) A State, or portion of a State, will be designated as a quarantined area for citrus greening when the presence of citrus greening is confirmed within the area by an APHIS-administered test.

(2) A State, or portion of a State, will be designated as a quarantined area for Asian citrus psyllid in which an established population of Asian citrus psyllids has been detected.

(3) A State, or portion of a State, will be designated as a quarantined area for either citrus greening or Asian citrus psyllid if the Administrator considers it necessary to quarantine the area because of its inseparability for quarantine enforcement purposes from localities in which citrus greening or an established population of Asian citrus psyllids has been found.

§ 301.76-4 Labeling requirements for regulated nursery stock produced within an area quarantined for citrus greening.

(a) Effective September 15, 2010, except as provided in paragraphs (b) and (c) of this section, all regulated nursery stock offered for commercial sale within an area quarantined for citrus greening must have an APHIS-approved plastic or metal tag on which a statement alerting consumers to Fed-

eral prohibitions regarding the interstate movement of the article is prominently and legibly displayed. Alternatively, if the article is destined for commercial sale in a box or container, the statement may be printed on the box or container, or printed on a label permanently affixed to the box or container, provided that, in either case, the statement is prominently and legibly displayed. The operator of the site of propagation of the nursery stock and the person offering the plants for commercial sale are jointly responsible for all such labeling.

(b) Nursery stock produced within a quarantined area for planting in a commercial citrus grove within that same area and moved directly to that grove, without movement outside of the quarantined area, may be moved without being labeled in accordance with paragraph (a) of this section.

(c) Nursery stock that will be moved interstate for immediate export under a limited permit in accordance with § 301.76-7(c) may be moved without being labeled in accordance with paragraph (a) of this section.

§ 301.76-5 General conditions governing the issuance of any certificate or limited permit; provisions for cancellation of a certificate or limited permit.

(a) *Certificates.* In addition to all other relevant conditions within this subpart, an inspector or person operating under a compliance agreement will issue a certificate only if a regulated article:

(1) Will be moved in compliance with any additional emergency conditions that the Administrator may impose under section 414 of the Plant Protection Act (7 U.S.C. 7714) ² to prevent the spread of Asian citrus psyllid; and

(2) Is eligible for unrestricted movement under all other Federal domestic plant quarantines and regulations applicable to the article.

² An inspector may hold seize, quarantine, treat, apply other remedial measures to, destroy, or otherwise dispose of plants, plant pests, or other articles in accordance with sections 414, 421, and 423 of the Plant Protection Act (7 U.S.C. 7714, 7731, and 7754).

(b) *Limited permits.* In addition to all other relevant conditions within this subpart, an inspector or person operating under a compliance agreement may issue a limited permit for the interstate movement of a regulated article only if the regulated article:

(1) Is to be moved interstate to a specified destination for specified handling, processing, or utilization (the destination and other conditions to be listed in the limited permit) and this movement of the regulated article will not result in the spread of citrus greening or the Asian citrus psyllid;

(2) Is to be moved in compliance with any additional emergency conditions the Administrator may impose under section 414 of the Plant Protection Act (7 U.S.C. 7714) to prevent the spread of citrus greening and the Asian citrus psyllid; and

(3) Is eligible for interstate movement under all other Federal domestic plant quarantines and regulations applicable to the article.

(c) Certificates and limited permits for the interstate movement of a regulated article may be issued by an inspector or person operating under a compliance agreement. A person operating under a compliance agreement may issue a certificate for the interstate movement of a regulated article after he or she has determined that the article is eligible for a certificate in accordance with paragraph (a) of this section and all other relevant conditions of this subpart. A person operating under a compliance agreement may issue a limited permit for interstate movement of a regulated article after he or she has determined that the article is eligible for a limited permit in accordance with paragraph (b) of this section and all other relevant conditions of this subpart.

(d) Any certificate or limited permit that has been issued may be withdrawn, either orally or in writing, by an inspector if he or she determines that the holder of the certificate or limited permit has not complied with all of the provisions in this subpart or has not complied with all the conditions contained in the certificate or limited permit. If the withdrawal is oral, the withdrawal and the reasons for the withdrawal will be confirmed in

writing as soon as circumstances allow. Any person whose certificate or limited permit has been withdrawn may appeal the decision in writing to the Administrator within 10 days after receiving the written notification of the withdrawal. The appeal must state all of the facts and reasons upon which the person relies to show that the certificate or limited permit was wrongfully withdrawn. As promptly as circumstances allow, the Administrator will grant or deny the appeal, in writing, stating the reasons for the decision. A hearing will be held to resolve any conflict as to any material fact. Rules of practice concerning a hearing will be adopted by the Administrator.

(e) Unless specific provisions exist in § 301.76-6 or § 301.76-7 of this subpart to allow the interstate movement of a certain regulated article, the interstate movement of that article is prohibited.

§ 301.76-6 Additional conditions for issuance of certificates and limited permits for regulated articles moved interstate from areas quarantined only for Asian citrus psyllid, but not for citrus greening.

(a) *Additional conditions for issuance of a certificate; any regulated article.* In addition to the general conditions for issuance of a certificate contained in § 301.76-5(a), an inspector or person operating under a compliance agreement may issue a certificate for the interstate movement of any regulated article to any State if:

(1) The article is treated with methyl bromide in accordance with 7 CFR part 305 of this chapter.

(2) The article is shipped in a container that has been sealed with an agricultural seal placed by an inspector.

(3) The container that will be moved interstate is clearly labeled with the certificate.

(4) A copy of the certificate will be attached to the consignee's copy of the accompanying waybill.

(b) *Additional conditions for issuance of a limited permit; regulated nursery stock.* In addition to the general conditions for issuance of a limited permit contained in § 301.76-5(b), an inspector or
